## WMIP e-bulletin October 2021

---

### Dear Colleague,

In this bulletin we have information about WMIP members' forum which will be held on Monday 22nd November. Please try and attend if possible, as it will be an opportunity to have your say about the development of CPD. There is also a reminder about APT's Public lecture with Phillip Stokoe on the 6th November.

Also, included in this bulletin are updates from both the membership committee and Jill Eley regarding the WMIP library.

Finally, I have had a request from a WMIP member who wondered whether colleagues might be willing to share their experiences during lockdown. For example, what themes have emerged in your work with patients, how many of you have returned to seeing patients face to face or do you continue to work online. I request a copy of your proposed article for the bulletin

Best regards,

Shane Sneyd (Editor)

Dear Member

**WMIP Members' Forum – Monday 22<sup>nd</sup> November 2021 8-9pm via Zoom**

**Have your say!**

We are very aware that an essential function of WMIP is to create CPD opportunities for its members. We are also members of WMIP and would like to invite you to contribute to the development of your CPD. We had a great response to the Power in Therapy conference, and it was wonderful that many of you helped facilitate groups that day. We had a preparatory session via Zoom that worked well, people hopped on the call and contributed thoughts about the running of the groups.

We would like to run an initial Zoom call to share ideas with each other about what

some plans for future CPD events we would like to tell you about and also we would like to hear from you what areas you would like to address or speakers you would be interested to hear and on what topics.

**Please respond to this email [admin@wmip.org](mailto:admin@wmip.org) by 18<sup>th</sup> November, to let us know if you are able to join us on Monday 22<sup>nd</sup> November. If you are interested, but unable to make this date, please also get in touch – we can offer an additional date if needed.**

Thank you

Alf McFarland, Rachel Hirschfeld, Brian Rich, Laura Chaisty and Kate Leeson

CHANGES THE WAY WE THINK OF CLINICAL WORK

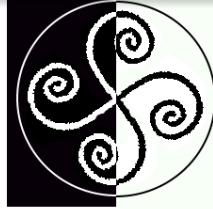

*Philip Stokoe*

other animals. I will explore the consequences for our understanding of human psychological and emotional problems and demonstrate the way that current practices work because they trigger curiosity in the patient and fail because the patient substitutes certainty for curiosity.

Philip Stokoe is a Psychoanalyst in private practice working with adults and couples, and an Organisational Consultant, providing consultation to a wide range of organisations. Philip worked in the Adult Department of the Tavistock & Portman NHS Foundation Trust between 1994 and 2012, he was the Clinical Director from 2007. He is a member of the European Psychoanalytic Federation Forum on Institutional Matters, which studies the nature of psychoanalytic institutions. Philip's book, *The Curiosity Drive: Our Need for Inquisitive Thinking*, was published by Phoenix Publishing House in November 2020.

## MEMBERS

### **Membership news**

We are pleased to welcome two people to membership of WMIP: Catherine Cox as a Professional Member and Rachel Hull as a Student member. We hope they will enjoy taking part in our activities.

We are sorry to say goodbye to Smita Kamble and Margaret Cox and wish them well for the future.

As several members are approaching retirement, we all need to encourage friends who are interested in psychoanalytic ideas to consider joining WMIP, to ensure that we have a viable future.

The Membership Committee: Jinny Sumner, Brian Rich, Elaine Wake

### **WMIP Library update October 2021**

The W.M.I.P library collection is accessible for all members at Newman University during staffed opening hours (see <https://libguides.newman.ac.uk/home>). Outside staffed hours access can be facilitated but it is necessary to contact the library first.

Grateful thanks to Lynette Maple for all her work in overseeing and cataloguing the collection. Martin Pursey, an affiliate member, has now joined as a library volunteer. His experience, prior to being a therapist, was as a college tutor-librarian. Martin tells me that this work is an interesting chance to unite two different skills and I'm sure his valuable experience will benefit the collection.

We are making good progress with a project to provide a subject index for the library collection, which we hope will enhance access for members. Almost half of the collection has been indexed so far and it can be used (ask Library staff for the card index box for WMIP collection) whilst it is being developed. The book to list books taken out is also at library reception.

Thanks to Peter Chidwick for his generous donation of books, which we have now added to the collection. We will continue to check and update the stocklist for some time and will publish an updated list at some point for members. In the meantime we are happy to email a copy of the current stocklist on request.

For any queries please contact Jill Eley - [JillEley27@gmail.com](mailto:JillEley27@gmail.com) Mb: 07906 106882
