A LIFE OF 'ITS' OWN ~ DREAMING: THOUGHT AND CREATIVITY

BTPP's Adult Modified Psychoanalytic Training are pleased to host a talk by Ellie Roberts.

In this working paper Ellie will be exploring the ideas arising from Bion's theory making, around dreams and further developments related to artistic creativity and the work of the unconscious.

I will look at the changes of thinking about the function and understanding of dreams from Freud, Klein, Meltzer and Grotstein.
